

Terrell I. Murphy
Commissioner

Dear Parent/Student,

I want to take this opportunity to extend an invitation to meet with you and your child during the school year.

The Texas Department of Assistive and Rehabilitative Services is now providing direct access to students with disabilities at the High School they attend. Our goal is to help those with disabilities obtain suitable employment. I want to get to know your child better and to understand his/her goals, aspirations, interests, abilities, and limitations.

I will assist your child with career exploration and help identify his/her own specific disability needs. I will provide vocational evaluations, if needed and comprehensive assessments to determine the functional impact the disability may have towards future employment.

Together we can help your child transition to the world -of -work and post- graduate opportunities.

Please feel free to contact me. I can be reached at **Clemens on Mondays P(PORTABLE)48 A Phone 945-6151** and/or at my office.

I look forward to meeting you.

Sincerely,

Kim Arrendell
