ABOUT JOHN A. SIPPEL

John A. Sippel Elementary School is named after one of the school district's former superintendents. John. A. Sippel (1915-1987) was born and raised in New Braunfels, but moved to the Cibolo area in the 1940s to lead the school district. Sippel was very active in the local business community. During his lifetime, he had many business ventures, including the establishment of the local Sippel True Value Hardware stores. In the 1970s, he was appointed as the first Municipal Court Judge for Cibolo and was later elected as the Mayor of Cibolo. Members of his immediate family still reside in the area.

A committee will select the final mascot and color scheme for the new campus based on suggestions submitted by SCUCISD students, staff, and community members. All suggestions are due no later than noon on Friday, February 8, 2008.
