- ★ Highly Satisfied Students, Parents and Community
- ★ Efficient District and Campus Operations

March 19, 2020

To parents/guardians of students receiving special education services,

As you know, due to Covid-19, SCUC ISD will be moving to a remote learning format for the duration of school closures. SCUC will provide special education services remotely, as well. Our team is working hard on plans to meet student needs and provide services outlined in their Individual Education Plans (IEPs). This will likely involve a combination of phone consultation with specialists and service providers, individualized resources focusing on IEP goals and collaboration between special education and general education staff to ensure that accommodations and modifications are provided. We will also provide a list of online learning resources for students with special needs through the district website.

For the time being, all ARD meetings will be rescheduled when schools re-open. If your student has an annual ARD or an evaluation due during the period of closure, your student's case manager will be in contact with you to propose an interim service plan until schools re-open.

Please know that while we will do everything we can to meet your student's individual needs, there are some services that will be very difficult to duplicate in a remote environment. If you have any concerns about your child's individual services, please contact me using the email address below.

Thank you so much for your patience, support and partnership as we navigate these uncharted waters together.

Sincerely,

Kimberly Ferguson
Director of Special Education
Schertz-Cibolo-Universal City ISD
