Know the Danger Zone

- Stay out of the Danger Zone at all times! No one should ever enter the Danger Zone unless they're absolutely sure the bus driver has given them permission to do so.
- **If you drop anything in the Danger Zone, leave it. Never stop to pick it up! If possible, speak with the bus driver about retrieving the item.**
- If you can touch the bus, you are too close!
- Using the 15 feet or "10 giant steps" rule is a good way to ID the the Danger Zone around the school bus, particularly when crossing in front of the bus

Know the Danger Zone (cont.)

- Always make sure you have the attention of the school bus driver when near the bus, approaching or leaving
- **No one should ever play around or near school buses or other motorized vehicles**
- Wait to approach the bus until it stops—NEVER approach it while it is moving
- Remember: If you cannot see the bus driver, the driver cannot see you!
- **Never walk or play behind any vehicle!**

Attention Bus Riders

After school, you will now wait for your bus in the **PAC area only!** Those who choose to remain in the PAC **MUST** stay seated.

Those who choose to wait for their bus outside the PAC will need to watch for your bus since bus numbers will be posted only on the whiteboard *inside* the PAC.

For safety reasons, **STAY OUT OF THE BUS LANE.**
