- ★ High-Performing and Engaged Workforce
- ★ Highly Satisfied Students, Parents and Community
- ★ Efficient District and Campus Operations

Greetings SCUC Families,

We are excited that your student has chosen to participate in Advanced Placement (AP) Human Geography during the 20-21 academic year. By challenging this AP course, your student will gain confidence in critical thinking, communication and other important academic skills that will provide a strong foundation for their high school career and beyond.

Over the summer our AP Human Geography teachers are setting up opportunities through Zoom to introduce themselves to students, provide a course overview, answer questions, and work to set up a collaborative learning community prior to the beginning of the school year.

Further communication about dates and times for Zoom sessions will be shared later in the summer.

We look forward to working with your students this summer and in the fall. Please feel free to contact your students' counselor, AP teacher or district support staff with any questions you may have.

Thank you,

SCUC Advanced Academics
