

SCUC DYSLEXIA...

...was so thrilled to have you attend our annual Dyslexia

FAMILY INFORMATION NIGHT

Thank you for coming out to support your child in his or her journey towards mastering literacy.

Click on each RESOURCE below!

THANK YOU

As the end of this school year draws to a close, please take a moment to look through these family-friendly, student support resources to help your child continue to enjoy reading over the Summer!

Best Apps to Help With Dyslexia

We're here to **redefine dyslexia**

Dyslexia Advice for Parents

Good Readers...

LOOK at the pictures.	Slide through the whole word.	Skip hard words and then go back.
Get your MOUTH ready to make the first sound.	Reread ...	Spell the word out loud.
Try a different VOWEL sound.	Think of a RHYMING word you do know.	"Chunk It" Look for another letter that starts.
