Introduction

The purpose of this handbook is to provide information that will help with questions and pave the way for a successful year. Not all district policies and procedures are included. Those that are, have been summarized. Suggestions for additions and improvements to this handbook are welcome and may be sent to the Human Resources Department

This handbook is neither a contract nor a substitute for the official district policy manual. Nor is it intended to alter the at-will status of noncontract employees in any way. Rather, it is a guide to and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate district office. District policies can be accessed online at www.scuc.txed.net.

District Information

Description of the District

Schertz-Cibolo-Universal City ISD serves students in grades Pre-K through 12. The District extends over a seventy-three square mile area in northeast Bexar County and southwest Guadalupe County. SCUCISD is large enough to offer a wide variety of outstanding academic and extracurricular programs, and small enough to help each student develop to their full potential in a caring and supportive environment. The Board of Trustees, administration, faculty and support personnel are committed to each child.

The first school in the area was built during the 1890s and was located across Cibolo Creek where Randolph Air Force Base stables are currently located. As the community grew from a settlement along the creek bank, a school was established in Cibolo, about four miles to the east. The building was erected on church property and the teachers were ministers. In 1916, a two-story brick school was built on what is now FM 78 in Cibolo. This school, initially used for grades 1-11, has served many purposes over the years. In 1917, a two story brick school was built in Schertz on what is now the site of the Old Corbett Complex. The consolidated common school districts of Schertz and Cibolo merged in 1940, becoming the Schertz-Cibolo Consolidated Common School District, with grades 1-6 attending in Cibolo and grades 7-12 in Schertz. With the growth of the area, the construction of new schools, and the addition of students from Universal City, name and status again changed, and the District became the Schertz-Cibolo-Universal City Independent School District. Currently, the District operates 15 schools as well as the Allison Steele Enhanced Learning Center and the Discipline Alternative Educational Program (DAEP).

Board of Trustees

Policies BA, BB series, BD series, and BE series

Texas law grants the board of trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal laws and regulations.

The board of trustees is elected by the citizens of the district to represent the community's commitment to a strong educational program for the district's children. Board members are elected by position and serve four-year terms. Board members serve without compensation, must be qualified voters, and must reside in the district.

Current board members include:

- Place 1 – Gerald Perkins, Vice President
- Place 2 – Robert M. Westbrook, Trustee
- Place 3 – Letticia Sever, Secretary
- Place 4 – Edward Finley, Vice-President
- Place 5 – Amy Thomas, Trustee
- Place 6 – Dan Swart, Trustee
- Place 7 – Belinda Evans, Assistant Secretary

The board usually meets the third Tuesday at 6:00 p.m. In the event that large attendance is anticipated, the board may meet at another announced location in the District. Special

meetings may be called when necessary. A written notice of regular and special meetings will be posted on the district website and at the Central Office at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a one-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or consulting with attorneys regarding pending litigation.

Employment

Equal Employment Opportunity

Policies DAA, DIA

In its efforts to promote nondiscrimination and as required by law, the Schertz-Cibolo-Universal City ISD does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy, sexual orientation, or gender identity), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is required not to discriminate on the basis of sex in its educational programs or activities. The requirement not to discriminate extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex, including sexual harassment: Linda Cannon, Chief Human Resources Officer, 1060 Elbel Rd., Schertz, TX 78154, lcannon@scuc.txed.net, (210) 945-6204. Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability: Linda Cannon, Chief Human Resources Officer, 1060 Elbel Rd., Schertz, TX 78154, lcannon@scuc.txed.net, (210) 945-6204.

Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

Job Vacancy Announcements

Policy DC

Announcements of job vacancies by position and location are posted on a regular basis to the district's website.

Employment after Retirement

Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment after Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website (www.trs.texas.gov).

Contract and Noncontract Employment

Policy DC series

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Probationary Contracts. Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

Term Contracts. Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online or copies will be provided upon request.

Noncertified Professional and Administrative Employees. Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are employed by a one-year contract that is not subject to the provisions for nonrenewal or termination under the Texas Education Code.

Paraprofessional and Auxiliary Employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Certification and Licenses

Policies DBA, DF

Professional employees whose positions require SBEC certification or a professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to Human Resources Department, in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify Debra McSweeney, Human Resources Coordinator, at 210-945-6296 when there is action against, or revocation of, their license.

A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact the Human Resources Department if you have any questions regarding certification or licensure requirements.

Recertification of Employment Authorization

Policy DC

At the time of hire all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact Brenda Finley, Human Resources Coordinator, at 210-945-6245 if you have any questions regarding reverification of employment authorization.

Searches and Alcohol and Drug Testing

Policy CQ, DHE

Non-investigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business.

Employees Required to Have a Commercial Driver's License. Any employee whose duties require a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact Bonnie Herron, Coordinator of Risk Management and Employee Relations at 210-945-6245.

Health Safety Training

Policies DBA, DMA

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to the appropriate administrator by the beginning of the school year.

School nurses and employees with regular contact with students must complete a Texas Education Agency approved, online training regarding seizure disorder awareness, recognition, and related first aid.

Reassignments and Transfers

Policy DK

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (Local).

An employee with the required qualifications for a position may request a transfer to another campus or department. Employees desiring a transfer to another campus or department must complete an online application for the desired position and must indicate "Transfer" in the application. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by the Human Resources Department and must be approved by the receiving supervisor.

Workload and Work Schedules

Policies DEAB, DK, DL

Professional Employees. Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and Auxiliary Employees. Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. See Overtime Compensation on page 19 for additional information.

Breaks for Expression of Breast Milk

Policies DEAB, DG

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

Notification to Parents Regarding Qualifications

Policies DK, DBA

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information

regarding the professional qualifications of their child’s teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call Debra McSweeney, Human Resources Coordinator, at 210-945-6296.

Outside Employment and Tutoring

Policy DBD

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Performance Evaluation

Policy DN series

Evaluation of an employee’s job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee’s assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Upon receiving a report, a nursing review committee may review a nurse’s nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse’s duty to a patient.

Employee Involvement

Policies BQA, BQB

At both the campus and district levels, SCUCISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the campus principal or department director.

Staff Development

Policy DMA

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for non-instructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Compensation and Benefits

Salaries, Wages, and Stipends

Policies DEA, DEAA, DEAB

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See *Overtime Compensation*, page 19.)

Salaries and wages are reviewed on an annual basis and adjusted according to the budgeted amounts approved by the board. Classroom teachers, full-time librarians, fulltime nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Employee pay information is available online through Employee Portal, under the Earnings tab. It is the responsibility of each employee to verify that HR has your correct pay grade/structure and years of creditable service. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact the Human Resources Department for more information about the district's pay schedules or their own pay. Specific questions concerning paychecks should be referred to the payroll office.

Paychecks

All professional and paraprofessional employees are paid monthly. Auxiliary employees are paid semi-monthly. Earnings statements are posted on Employee Portal one (1) day before pay day. Live checks will not be released to any person other than the district employee named on the check without the employee's written authorization. During summer breaks, live checks will be mailed. If a live check is lost or stolen, a replacement check will be issued 10 working days after it is reported to the payroll department.

An employee's earnings statement contains detailed information including deductions, withholding information, and the amount of leave accumulated.

The schedule of pay dates for the 2022-2023 school year follows:

[SCUC Pay Dates](#)

Automatic Payroll Deposit

The district encourages automatic payroll deposit. Employees can have their paychecks electronically deposited into an account. With automatic deposit, an employee's pay is immediately available on the pay date. Contact the Payroll Office for more information about the automatic payroll deposit service.

Payroll Deductions

Policy CFEA

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS)
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)
- Child support and spousal maintenance, if applicable
- Delinquent federal education loan payments, if applicable

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and contributions to a health savings account, flexible spending account or dependent care account. Employees also may request payroll deduction for payment of membership dues to professional organizations. Salary deductions are automatically made for unauthorized or unpaid leave.

Overtime Compensation

Policies DEAB, DEC

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. For the purpose of calculating overtime, a workweek begins at 12:01 a.m. Sunday and ends at midnight Saturday. Employees will be compensated for overtime (i.e., hours beyond 40 in a workweek) at time-and-a-half rate.

Travel Expense Reimbursement

Policy DEE

Before any travel expenses are incurred by an employee, the employee's supervisor must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage.

Health, Dental, and Life Insurance

Policy CRD

Group health insurance coverage is available to all employees. The district's contribution to employee insurance premiums is determined annually by the board of trustees. Detailed descriptions of insurance coverage, prices, and eligibility requirements are provided to all employees in a separate booklet.

The health insurance plan year is from September 1 through August 31. New employees must complete enrollment forms within the first 30 days of employment. Current employees wishing to make changes in their insurance coverage should contact Jackie Portela, Benefits Specialist, at 210-945-6216 for more information.

Supplemental Insurance Benefits

Policy CRD

At their own expense, employees may enroll in supplemental insurance programs. Premiums for these programs can be paid by payroll deduction. Employees should contact Jackie Portela, Benefits Specialist, at 210-945-6216 for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Workers' Compensation Insurance

Policy CRE

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers' compensation coverage from TASB Risk Fund.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the supervisor. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See *Workers' Compensation Benefits*, page 34 for information on use of paid leave for such absences.

Unemployment Compensation Insurance

Policy CRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact Bonnie Herron, Coordinator of Risk Management and Employee Relations, at 210-945-6245.

Teacher Retirement

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify the Human Resources Office and the Payroll Office as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web (www.trs.texas.gov).

Tuition-free Attendance

Children of nonresident District employees may attend SCUCISD schools tuition free. The student's enrollment shall continue only so long as the parent is employed with the District. All rules and regulations of the District must be followed including those for student conduct and attendance.

Leaves and Absences

Policies DEC, DECA, DECB

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call Jackie Portela, Benefits Specialist, at 210-945-6216 for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Paid leave must be used in ½ day increments. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Local Leave
- State sick leave accumulated before the 1995-96 school year
- State personal leave

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee's pay.

Employees must notify their immediate supervisor in advance, or as early as possible, in the event they must be absent or late. Unauthorized absences, chronic absenteeism, tardiness and failure to follow procedures for reporting an absence may be cause for disciplinary action.

Immediate Family. For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis

- Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee
- Sibling, stepsibling, and sibling-in-law
- Grandparent and grandchild
- Any person residing in the employee’s household at the time of illness or death

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy DECA (LEGAL).

Medical Certification. Any employee, who is absent more than 3 days because of a personal or family illness, must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee’s fitness to return to work.

Any employee returning to work with any limitations or restrictions as to his/her ability to perform the functions of their job must submit a medical certification from the treating physician outlining in detail all limitations and restrictions. This may include but is not limited to lifting weight, bending, stooping, wearing of sling, cast etc. The district’s work status form is provided for return to work status. If this form is not used, the certification must be in detail either outlining any limitations and the duration of the limitations, or returning the employee to full-duty status with no restrictions. This certification must be provided prior to the employee returning to work.

The district may require medical certification due to an employee’s questionable pattern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when an employee requests FMLA leave for the employee’s serious health condition, a serious health condition of the employee’s spouse, parent, or child, or for military caregiver leave.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. ‘Genetic information,’ as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member, or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance. Employees, on an approved leave of absence other than family and medical leave, may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the Family and

Medical Leave Act will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee's unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary may be used in the same manner as state sick leave.

Discretionary. Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to the principal or supervisor 2 working days in advance of the anticipated absence. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor. Discretionary personal leave may not last more than three consecutive days, except with special approval for extenuating circumstances.

Discretionary state personal leave will not be allowed for any employee on the following days which are identified on the current School Calendar:

- The day before or the day after a school or paid holiday,
- Professional or staff development days, or
- Bad weather makeup days, except in emergency circumstances, in which case documentation will be required.

Discretionary state personal leave will also not be allowed for campus employees on the following days in accordance with each campus's needs:

- The first or last day of a semester grading period or on days scheduled for state or local tests supervisor.

The Superintendent may approve exceptions to these limits with documented emergency circumstances.

Leave Proration. If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Local Leave

In addition to state personal leave, all employees earn local sick leave that accumulates without limit, according to the following schedule:

10-month positions – 5 days per year

11-month positions – 6 days per year

12-month positions – 7 days per year

Employees will accrue a ½ day of local sick leave for each month worked. If an employee uses more sick leave than he or she has earned, the cost of unearned sick leave will be deducted from the employee's next paycheck.

Sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee’s immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Employee Responsibilities for Reporting Absences

It is the responsibility of each employee to report his/her own absence to the SmartFind (SAMS) system, as well as to follow any other department or campus procedures required.

Employees who schedule a half-day leave are not compensated for lunch. Half-day schedules are determined by the campus hours or auxiliary schedule. Half-day absences for exempt employees are determined on the following timetable:

7:30-2:40 Bell	7:15 a.m. – 11:00 a.m. 11:30 p.m. – 3:15 p.m.
8:10-3:20 Bell	7:45 a.m. – 11:30 a.m. 12:00 p.m. – 3:45 p.m.
8:55-4:15 Bell	8:30 a.m. – 12:15 p.m. 12:45 p.m. – 4:30 p.m.

If you have any questions or experience difficulty with the system, you may contact the SAMS administrator for your campus or department. You may also contact the Help Desk for assistance.

SAMS Phone: 210-672-2859

Email: <https://scuc.eschoolsolutions.com>

SCUC SAMS Help Desk Phone: 210-945-6245

Hours: 8:00 a.m.-4:30 p.m.

Absences Not Posted to the SAMS System

1. Employee must contact their Supervisor immediately upon return to work and arrange with their Supervisor to get the "Absence Not Posted" form.
2. Employee must complete "Absence Not Posted" form, have their Supervisor sign the form and assure the form is forwarded to the SAMS administrator at their campus or department.

3. If employee does not get absence reported within two working days of his/her return to work, employee may be given a written reprimand.

4. Continued non-reporting of absences will result in further disciplinary actions.

5. Absences not reported may be posted as unexcused and the employee's daily rate will be deducted from their next paycheck.

All excused absences not reported to the SAMS system by the employee, will be deducted from the employee's leave balance in the order described under Leaves and Absences. Once all leave is exhausted, the cost of leave will be deducted from the employee's pay.

Extended Sick Leave

Each full-time employee who has exhausted earned paid leave benefits and has been employed at least 12 months shall be permitted up to 10 days of extended sick leave in a 12 (twelve month) period to be used only for the employee's personal catastrophic illness or disability, including pregnancy-related catastrophic disability. Any unused approved extended sick leave shall terminate at the end of the employee's assigned work year.

An employee shall submit a written request to Human Resources with appropriate medical certification indicating the employee's inability to perform job-related functions. The district has provided a form for this request located on the District Website/Human Resources/Employee Benefits/FMLA Information and Forms.

One-half (1/2) of an employee's daily rate shall be deducted from that employee's pay for use of extended sick leave. Such deduction shall be made whether or not a substitute is employed.

Vacation

Policy DED

Non-contract employees working in positions normally requiring 260 days of service at eight hours per day shall accrue .833 days of paid vacation for each month of service. Employees may request and be paid for only those vacation days actually earned; vacation days shall not be advanced. Paid vacation time may not be used within the first six (6) months of employment with the District.

Employees shall be allowed to carry forward to the next school year a maximum of ten vacation days. Any unused vacation days, up to a maximum of ten days, shall be paid to an employee upon resignation or retirement as long as the employee provides a two calendar-week notice. However, employees leaving prior to completing 12 months of service shall not be reimbursed for any unused vacation days

Paid Holidays

Auxiliary employees are eligible for the following paid holidays:

- Labor Day 1 Day
- Thanksgiving 2 Days
- Christmas 3 Days
- New Year's Day 1 Day
- Good Friday 1 Day
- Juneteenth 1 Day
- Independence Day 1 Day

If one of the designated holidays falls on a Saturday, employees shall observe that holiday on the preceding Friday. When such a holiday falls on a Sunday employees shall observe that holiday on the succeeding Monday.

Any employee required to be on duty for the District in any capacity on a paid holiday (Labor Day, Thanksgiving, Christmas, New Year's Day, Good Friday or July 4th) shall be paid holiday pay, plus payment of one hour of regular salary for each hour worked. In the event that the employee exceeds 40 hours worked in the week by being on duty on a paid holiday, the employee shall be paid holiday pay and one and one-half hours of regular salary for each hour worked.

To be eligible for holiday pay, an employee must work, or be on supervisor-approved paid leave, on the scheduled day before and the scheduled day after a holiday.

Sick Leave Pool

An employee who has accumulated at least 80 hours (ten working days) of local sick leave may, by submitting a written request, donate a maximum of 40 hours (five working days) above the 80-hour minimum each year to another employee who, due to a catastrophic serious illness or injury, has exhausted all paid leave benefits.

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee which requires the services of a certified health care provider for a prolonged period of time and which forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. The illness/injury must be chronic or debilitating, and it must result in the employee's temporary or permanent incapacity to perform his/her job functions. Examples of illnesses which may enable an employee to withdraw leave from a sick pool include, but are not limited to, cancer, heart

disease or stroke. Complications resulting from pregnancy shall be treated the same as any other condition. For purposes of the sick leave pool, normal pregnancies with no serious complications and routine surgeries with no serious complications are not considered to be catastrophic.

Procedures

Requests for assistance shall be made in writing to the employee's Principal/Director, together with a statement from the employee's certified health care provider concerning the employee's catastrophic illness or injury. Following approval of a sick leave pool request by the Department of Human Resources, Human Resources shall send notice of seeking donations from staff members throughout the District.

The employee must have exhausted all available earned and advanced state personal leave, state sick leave and local sick leave before requesting establishment of a sick leave pool. Days used from the sick leave pool may only be used for the employee's personal catastrophic illness or injury. Such days may not be used for an employee to take leave due to an illness or injury of a family member.

An employee may withdraw a maximum of 30 days from a sick leave pool per school year, subject to approval by the Department of Human Resources.

Unused transferred sick leave hours shall be returned to the donor in half-day increments. Donor contributions shall be date-stamped, with the earliest date-stamped contributions being used first.

Restrictions

An employee who is on leave (illness, educational, etc.) may not donate local sick leave days until the employee has returned to an active work status for at least ten working days.

An employee may not use sick leave pool days to extend the work period of employment beyond the normally scheduled number of days in the school year.

Family and Medical Leave Act (FMLA)—General Provisions

The following text is from the federal notice, *Employee Rights and Responsibilities Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

Leave Entitlements

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within 1 year of the child’s birth or placement);
- To care for the employee’s spouse, child, or parent who has a qualifying serious health condition;
- For the employee’s own qualifying serious health condition that makes the employee unable to perform the employee’s job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee’s spouse, child, or parent.

An eligible employee who is a covered service member’s spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the service member with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer’s normal paid leave policies.

Benefits and Protections

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual’s FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

Eligibility Requirements

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave; and

- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

Requesting Leave

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection.

Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

Employer Responsibilities

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

Enforcement

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

Local Procedures for Implementing Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period measured backward from the date an employee uses FML.

Use of Paid Leave. FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. Spouses who are employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

Fitness for Duty. An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. If certification of the employee's ability to perform essential job function is required, the district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider.

Reinstatement. An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according the procedures outlined in policy (see DECA (LEGAL)).

Failure to Return. If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a

continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

District Contact. Employees that require FML or have questions should contact Jackie Portela, Benefits Specialist, at 210-945-6216 for details on eligibility, requirements, and limitations.

Temporary Disability Leave

Certified Employees. Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, Human Resources should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties.

Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury and should be immediately reported to Bonnie Herron, Coordinator of Risk Management and Employee Relations, at 210-945-6245.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person nonresponsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Bereavement Leave

Employees may use state leave and/or local sick leave for a death in the immediate family but shall not exceed five workdays per occurrence, subject to the approval of the district.

Jury Duty

Policies DEC, DG

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

Compliance with a Subpoena

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

Truancy Court Appearances

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Military Leave

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled 15 days of paid leave per fiscal year when engaged in authorized training or duty ordered by proper authority. An additional seven days of leave per fiscal year are available if called to state active duty in response to a disaster. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. Employees returning to work following military leave should contact Bonnie Herron, Coordinator of Risk Management and Employee Relations, at 210-945-6245. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact Jackie Portela, Benefits Specialist, at 210-945-6216 for details on eligibility, requirements, and limitations.

Reimbursement of Unused Personal and Sick Leave

State Leave Upon Retirement. Upon retiring from the District under provisions of Teacher Retirement System, an employee with three or more years of service in the District shall be reimbursed for each day of unused state leave, to a maximum of 40 days. Professional employees shall be reimbursed \$50. All other employees shall be reimbursed at a rate of \$25 per day. An employee who resigns from the District shall not be entitled to reimbursement from the District for unused state leave.

At the time of retirement in accordance with Teacher Retirement System requirements, an employee with ten or more years of service in the District shall be reimbursed up to 100 days of unused state leave. Payment will be made in the last paycheck from the District. Employees applying for this benefit shall not be eligible for payment described above at more than three years' of service.

The payment rate shall be calculated based on the current substitute rate for each category of employee:

- Teacher/administrator/professional
- Clerical/technical
- Manual trades

Leave then shall be deducted from the employee's accumulated total when the payment is calculated by the District. For purposes of this reimbursement program, leave taken under the Family Medical Leave Act (FMLA) shall not be included in the calculation of the payment.

Payment shall be made following verification of approved and documented service records and employee application for payment.

An employee with ten or more years of service in the District who resigns from the District shall not be entitled to reimbursement for unused state leave.

Local leave upon retirement. Employee Relations and Communications

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district newsletter, and through special events and activities. Recognition and appreciation activities also include service awards and our end of the year Commitment to Excellence awards.

District Communications

Throughout the school year, the district publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements.

The current publications are the following:

In the Know - a brief e-newsletter outlining the reports, discussion items, and action taken at the regular and called board meetings

SCUC Connect - a monthly internal digital magazine that keeps staff engaged and informed on what's happening in and around the district

Complaints and Grievances

Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints is linked below:

SCUCISD Ethics Compliance Hotline

High Ethical Standards and Accountability for actions is a top priority for Schertz-Cibolo-Universal City ISD. Board Policy DH formalizes the expectations of the school district employee's behavior and responsibility.

Schertz-Cibolo-Universal City ISD recognizes that unethical behavior prevents the district from operating effectively and efficiently. In line with this goal, the district has established an anonymous reporting hotline to proactively address the need for ethical behavior and high performance. District employees are encouraged to report suspected wrongdoings such as:

- Theft and Embezzlement
- Theft, Misuse or Waste of District Property, Funds and/or Resources
- Alcohol and Substance Abuse
- Illegal and Fraudulent Acts
- Conflict of Interest Violations
- Falsifications of District Records

Information provided to the Ethics Hotline should be made in good faith and will remain confidential and anonymous. The district's standard processes should be followed for all complaints, grievances and issues not requiring anonymity, such as complaints and grievances involving wages, working conditions, discrimination and other personnel concerns.

How to Submit a Report

Reports may be made 24 hours a day, 7 days a week and 365 days a year. You may make a report using any of the following methods:

Discrimination, Harassment, and Retaliation

Policies DH, DIA

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

Any district employee who believes that he or she has experienced prohibited conduct based on sex, including sexual harassment, or believes that another employee has experienced such prohibited conduct, should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor, the campus principal, the Title IX coordinator, or the superintendent. The district's Title IX coordinator's name and contact information is listed in the Equal Employment Opportunity section of this handbook.

The district's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is linked below:

Harassment of Students

Policies DH, DHB, FFG, FFH, FFI

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited.

Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. Any district employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct based on sex, including sexual harassment, of a student shall immediately notify the district's Title IX coordinator, the ADA/Section 504 coordinator, or superintendent and take any other steps required by district policy.

All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or has

reasonable cause to believe that child abuse or neglect occurred must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse*, page 45 and *Bullying*, page 69 for additional information.

The district's policy that includes definitions and procedures for reporting and investigating harassment of students is linked below:

Reporting Suspected Child Abuse

Policies DG, FFG, GRA

All employees with reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect, as defined by Texas Family Code §261.001, are required by state law to make a report to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering the facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have reasonable cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made online at <https://www.txabusehotline.org/Login/Default.aspx> or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to make the required report may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are

no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

The district has established a plan for addressing sexual abuse and other maltreatment of children. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in *Reporting Suspected Child Abuse*.

Reporting Crime

Policy DG

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

Scope and Sequence

Policy DG

If a teacher determines that students need more or less time in a specific area to demonstrate proficiency in the Texas Essential Knowledge and Skills (TEKS) for that subject and grade level, the district will not penalize the teacher for not following the district's scope and sequence.

The district may take appropriate action if a teacher does not follow the district's scope and sequence based on documented evidence of a deficiency in classroom instruction. This

documentation can be obtained through observation or substantiated and documented third-party information.

Technology Resources

Policy CQ

The district's technology resources, including its networks, computer systems, email accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district's technology resources.
- Has no adverse effect on job performance or on a student's academic performance.

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the district's acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and legal action. Employees with questions about computer use and data management can contact the Technology Department.

Personal Use of Electronic Communications

Policy CQ, DH

Electronic communications include all forms of social media, such as text messaging, instant messaging, electronic mail (email), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communications also include all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communications as they are for any other public conduct. If an employee's use of electronic communications interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the

employee's friends, or members of the public who can access the employee's page, and for web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic communications for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use the district's logo or other copyrighted material of the district without express written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee's immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
 - Confidentiality of student records. [See Policy FL]
 - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See DH (EXHIBIT)]
 - Confidentiality of district records, including educator evaluations and private email addresses. [See Policy GBA]
 - Copyright law [See Policy CY]
 - Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See DH (EXHIBIT)]

See *Electronic Communications between Employees, Students, and Parents*, below, for regulations on employee communication with students through electronic media.

Electronic Communications between Employees, Students, and Parents

Policy DH

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may use electronic communications with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. Electronic communications between all other employees and students who are enrolled in the district are prohibited. Employees are not required to provide students with their personal phone number or email address.

An employee is not subject to the provisions regarding electronic communications with a student to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student's parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol;
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee's communications with the student are excepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic media with students:

- *Electronic communications* means any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. The term includes email, text messages, instant messages, and any communication made through an Internet website, including a social media website or a social networking website.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*: however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.

- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who communicates electronically with students shall observe the following:

- The employee is prohibited from knowingly communicating with students using any form of electronic communications, including mobile and web applications, that are not provided or accessible by the district unless a specific exception is noted below.
- Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:
 - The employee shall include at least one of the student’s parents or guardians as a recipient on each text message to the student so that the student and parent receive the same message;
 - The employee shall include his or her immediate supervisor as a recipient on each text message to the student so that the student and supervisor receive the same message; or
 - For each text message addressed to one or more students, the employee shall send a copy of the text message to the employee’s district email address.
- The employee shall limit communications to matters within the scope of the employee’s professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
- The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page (“professional page”) for the purpose of communicating with students. The employee must enable administration and parents to access the employee’s professional page.
- The employee does not have a right to privacy with respect to communications with students and parents.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators’ Code of Ethics including:

- Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]
 - Copyright law [Policy CY]
 - Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DH]
- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with one or more currently-enrolled students.
 - Upon written request from a parent or student, the employee shall discontinue communicating with the student through email, text messaging, instant messaging, or any other form of one-to-one communication.
 - An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.
 - All staff are required to use school email accounts for all electronic communications with parents. Communication about school issues through personal email accounts or text messages are not allowed as they cannot be preserved in accordance with the district's record retention policy.
 - An employee shall notify his or supervisor in writing within one business day if a student engages in an improper electronic communication with the employee. The employee should describe the form and content of the electronic communication.

- Verbal or written directive
- Remote access to district-owned devices and services

Criminal History Background Checks

Policy DBAA

Employees may be subject to a review of their criminal history record information at any time during employment. National criminal history checks based on an individual's fingerprints, photo, and other identification will be conducted on certain employees and entered into the Texas Department of Public Safety (DPS) Clearinghouse. This database provides the district and SBEC with access to an employee's current national criminal history and updates to the employee's subsequent criminal history.

- Non-school employment

Employees should contact their supervisor for additional information.

- Keep work areas clean and orderly at all times.
- Immediately report all accidents to their supervisor.
- Operate only equipment or machines for which they have training and authorization.

Employees are required to wear a staff ID badge at all times while on any district property. The ID badge must be visible at all times and worn above the waist on a lanyard or clipped to a shirt pocket or collar.

For safety reasons as well as routinely checking door locking mechanisms, campus teachers/staff will lock classroom doors during non-instructional times of the day (e.g. conference period, lunch break) while not in the classroom and at the end of the day.

While driving on district business, employees are required to abide by all state and local traffic laws. Employees driving on district business are prohibited from texting and using other electronic devices that require both visual and manual attention while the vehicle is in motion. Employees will exercise care and sound judgment on whether to use hands-free technology while the vehicle is in motion.

Employees with questions or concerns relating to safety programs and issues can contact their supervisor.

Possession of Firearms and Weapons

Policies DH, FNCG, GKA

Employees, visitors, and students, including those with a license to carry a handgun, are prohibited from bringing firearms, knives, clubs, or other prohibited weapons onto school premises (i.e., building or portion of a building) or any grounds or building where a school-sponsored activity takes place. A person, including an employee, who holds a license to carry a handgun may transport or store a handgun or other firearm or ammunition in a locked vehicle in a parking lot, garage, or other district provided parking area, provided the handgun or firearm or ammunition is properly stored, and not in plain view. To ensure the safety of all persons, employees who observe or suspect a violation of the district's weapons policy should report it to their supervisor immediately.

Visitors in the Workplace

Policy GKC

All visitors are expected to enter any district facility through the main entrance and sign in or report to the building's main office. Authorized visitors will receive directions or be escorted to their destination. Employees who observe an unauthorized individual on the district premises should immediately direct him or her to the building office or contact the administrator in charge.

Asbestos Management Plan

Policy CKA

The district is committed to providing a safe environment for employees. An accredited management planner has developed an asbestos management plan for each school. A copy of the district's management plan is kept in the Maintenance Department office and is available for inspection during normal business hours.

Pest Control Treatment

Policies CLB, DI

Employees are prohibited from applying any pesticide or herbicide without appropriate training and prior approval of the integrated pest management (IPM) coordinator. Any application of pesticide or herbicide must be done in a manner prescribed by law and the district's integrated pest management program.

Notices of planned pest control treatment will be posted in a district building 48 hours before the treatment begins. Notices are generally located in the staff workroom. In addition, individual employees may request in writing to be notified of pesticide applications. An employee who requests individualized notice will be notified by telephone, written, or electronic means. Pest control information sheets are available from campus principals or facility managers upon request.

Dress Guidelines

Policy DH

The Schertz-Cibolo-Universal City ISD considers all personnel to be professional in their respective areas and, as such, depends on them to adhere to appropriate professional dress guidelines as it applies to their assignment. All employees should wear to work and work-related functions, clothing that is neat, clean and appropriate, and that meets the standards of the district's educational environment.

It is understood that different clothing may be appropriate under certain circumstances and for different work assignments. Differences may be necessary because of grade level of students taught, type of activity being taught, special days, office area assignments and other circumstances.

Principals and Directors are responsible for setting guidelines for individual assignments and making sure the spirit, as well as the literal interpretation, of these guidelines is met. An environment of mutual cooperation is the district's goal.

It is the intent of these guidelines to be general with few specific examples of appropriate or inappropriate clothing. Therefore, the following items are meant to be examples, not as an exhaustive list.

A doctor's note will be required for employees with a medical condition that will require clothing/headwear/shoes that deviate from the dress code.

Acceptable:

- Collared shirts, golf or polo-type shirts, sleeveless blouses
- Pants/Slacks, including mid-calf length
- Skirts and dresses of appropriate lengths
- Leggings, if worn with an appropriate length dress/skirt
- Athletic/Tennis shoes, headgear, shorts, jogging suits/sweatshirts worn on special days approved by Principal/Director
- Clothing appropriate to specialized departments approved by Principal/Director

Unacceptable:

- Any color denim clothing including jeans, skirts/dresses/jumpers, except on Fridays (or last day of week) or days specifically designated by campus Principal or department Director
- Cotton type T-shirts (printed or plain), unless campus or department designed/approved with logo approved by Principal/Director
- Shorts, any time, any day with the exception for Athletics/PE/Band in gyms or outside areas
- Jogging suits, sweatpants, sweatshirts with the exception for Athletics/PE
- Headwear (caps, hats, bandanas) except outdoors
- Sunglasses indoors
- Tank tops, halter tops, spaghetti, or tops that expose midriffs
- Low-cut necklines
- Revealing undergarments
- Bib overalls
- Frayed, torn jeans
- Flip-flops (rubber beach-type)
- Inappropriate tattoos (Prefer all tattoos are covered)

Manual Trades/Auxiliary Employee Dress Code

Manual trades (auxiliary, food service, warehouse employees, custodians) will wear uniforms and footwear as designated by the appropriate director (jeans are appropriate on Fridays only). Grounds, warehouse, and mail services clerk may wear shorts (tailored to the top of the knee when regular school is not in session). Bus drivers/monitors are permitted to wear clothing authorized on the “casual days/special events days” listing for professional and paraprofessional employees. In addition, manual trades bus drivers may wear shorts during warm weather while performing driver duty only.

General Procedures

Emergency School Closing

The district may close schools because of severe weather, epidemics, or other emergency conditions. When such conditions exist, the Superintendent will make the official decision concerning the closing of the district's facilities. When it becomes necessary to open late, to release students early, or to cancel school, district officials will post a notice on the district's website and notify the following radio and television stations:

WOAI	KMOL TV – NBC	KWEX TV – UNIVISION
KTSA	KSAT TV – ABC	KVDA TV – TELEMUNDO
KONO	KENS TV – CBS	KKTYX/KCYT
	KABB TV – FOX	

Emergencies

Policies CKC, CKD

All employees should be familiar with the safety procedures for responding to emergencies, including a medical emergency. Employees should locate evacuation diagrams posted in their work areas and be familiar with shelter in place, lockout, and lockdown procedures. Emergency drills will be conducted to familiarize employees and students with safety and evacuation procedures. Each campus is equipped with an automatic external defibrillator. Fire extinguishers are located throughout all district buildings. Employees should know the location of these devices and procedures for their use.

Purchasing Procedures

Policy CH

All requests for purchases must be submitted to the Purchasing Department on an official district purchase order (PO) form with the appropriate approval signatures. No purchases, charges, or commitments to buy goods or services for the district can be made without a PO number. The district will not reimburse employees or assume responsibility for purchases made without authorization. Employees are not permitted to purchase supplies or equipment for personal use through the district's business office. Contact the campus or department office for additional information on purchasing procedures.

Name and Address Changes

Name and Address Changes

It is important that employment records be kept up to date. Employees must make changes or corrections to their name, home address, home telephone number, and emergency contact information through the Employee Access - Self Service menu option on the District's website. If you are making a change to your name, you must bring a copy of your corrected Social Security Card to the Human Resources Department before the name change can be finalized.

Personnel Records

Policy DBA, GBA

Most district records, including personnel records, are public information and must be released upon request. In most cases, an employee's personal email address is confidential and may not be released without the employee's permission.

Employees may choose to have the following personal information withheld:

- Address
- Phone number, including personal cell phone number
- Emergency contact information
- Information that reveals whether they have family members

The choice to not allow public access to this information or change an existing choice may be made at any time by submitting a written request to the Human Resources Department. New or terminated employees have 14 days after hire or termination to submit a request. Otherwise, personal information may be released to the public until a request to withhold the information is submitted or another exception for release of information under law applies. An employee is responsible for notifying the district if he or she is subject to any exception for disclosure of personal or confidential information.

Facility Use

Policies DGA, GKD

Employees who wish to use district facilities after school hours must follow established procedures. The Maintenance Department is responsible for scheduling the use of facilities

after school hours. Contact the Maintenance Department to request to use school facilities and to obtain information on the fees charged.

Termination of Employment

Resignations

Policy DFE, DHB

Contract Employees. Contract employees may resign their position without penalty at the end of any school year if written notice is received at least 45 days before the first day of instruction of the following school year. A written notice of resignation should be submitted to the campus principal or department director who will forward them on to the superintendent through the Human Resources Department. Contract employees may resign at any other time only with the approval of the superintendent or the board of trustees. Resignation without consent may result in disciplinary action by the State Board for Educator Certification (SBEC).

The principal is required to notify the superintendent of an educator's resignation within seven business days following an alleged incident of misconduct for any of the acts listed in *Reports to Texas Education Agency* on page 65. The superintendent will notify SBEC when an employee resigns and there is evidence to indicate that the employee has engaged in such misconduct.

Noncontract Employees. Noncontract employees may resign their position at any time. A written notice of resignation should be submitted to the campus principal or department director at least two weeks prior to the effective date. Employees are encouraged to include the reasons for leaving in the letter of resignation but are not required to do so.

The principal is required to notify the superintendent of a noncertified employee's resignation or termination within seven business days following an alleged incident of misconduct of abuse of a student, or was involved in a romantic relationship with or solicited or engaged in sexual conduct with a student or minor. The superintendent will notify TEA within seven business days of receiving a report from a principal, or of knowing about an employee's resignation or termination following an alleged incident of misconduct described above.

Dismissal or Nonrenewal of Contract Employees

Policies DF Series, DHB

Employees on probationary, term, and continuing contracts can be dismissed during the school year according to the procedures outlined in district policies. Employees on probationary or term contracts can be nonrenewed at the end of the contract term. Contract employees dismissed during the school year, suspended without pay, or subject to a reduction in force are entitled to receive notice of the recommended action, an explanation of the charges against them, and an opportunity for a hearing. The timelines and procedures to be followed when a suspension, termination, or nonrenewal occurs will be provided when a written notice is given to an employee.

The principal is required to notify the superintendent of an educator's termination within seven business days following an alleged incident of misconduct for any of the acts listed in Reports to Texas Education Agency on page 65. The superintendent will notify SBEC when an employee is terminated and there is evidence to indicate that the employee has engaged in such misconduct.

Advance notification requirements do not apply when a contract employee is dismissed for failing to obtain or maintain appropriate certification or when the employee's certification is revoked for misconduct. Information on the timelines and procedures can be found in the DF series policies that are provided to employees or are available online.

Dismissal of Noncontract Employees

Policies DCD, DP

Noncontract employees are employed at will and may be dismissed without notice, a description of the reasons for dismissal, or a hearing. It is unlawful for the district to dismiss any employee for reasons of race, color, religion, sex, national origin, age, disability, military status, genetic information, any other basis protected by law, or in retaliation for the exercise of certain protected legal rights. Noncontract employees who are dismissed have the right to grieve the termination. The dismissed employee must follow the district process outlined in this handbook when pursuing the grievance. (See *Complaints and Grievances*, page 68.)

The principal is required to notify the superintendent of a noncertified employee's resignation or termination within seven business days following an alleged incident of misconduct of abuse of a student, or was involved in a romantic relationship with or solicited or engaged in sexual conduct with a student or minor. The superintendent will notify TEA within seven business days of receiving a report from a principal, or knew about an employee's resignation or termination following an alleged incident of misconduct described above.

Discharge of Convicted Employees

Policy DF

The district shall discharge any employee who has been convicted of or placed on deferred adjudication community supervision for an offense requiring the registration as a sex offender or convicted of a felony under Title 5 Penal Code if the victim was a minor.

If the offense is more than 30 years before the date the person's employment began or the person satisfied all terms of the court order entered on conviction the requirement to discharge does not apply.

Exit Interviews and Procedures

An exit survey/questionnaire shall be conducted and an exit report prepared, if possible, for every employee who leaves employment with the District. Information on the continuation of benefits, release of information, and procedures for requesting references will be provided at this time. Separating employees are asked to provide the district with a forwarding address and phone number and complete a questionnaire that provides the district with feedback on his or her employment experience. All district keys, books, property, including intellectual property, and equipment must be returned upon separation from employment.

Reports to Texas Education Agency

Policies DF, DHB, DHC

Certified Employees. The resignation or termination of a certified employee must be reported to the Division of Investigations at TEA if there is evidence that the employee was involved in any of the following:

- Any form of sexual or physical abuse of a minor, or any other unlawful conduct with a student or a minor
- Soliciting or engaging in sexual contact or a romantic relationship with a student or minor
- The possession, transfer, sale, or distribution of a controlled substance
- The illegal transfer, appropriation, or expenditure of district or school property or funds
- An attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit for the purpose of promotion or additional compensation
- Committing a criminal offense or any part of a criminal offense on district property or at a school-sponsored event.

The reporting requirements above are in addition to the superintendent's ongoing duty to notify TEA when a certified employee or an applicant for certification has a reported criminal history or engaged in conduct violating the assessment security procedures established under TEC §39.0301. "Reported criminal history" means any formal criminal justice system charges and dispositions including arrests, detentions, indictments, criminal information, convictions, deferred adjudications, and probations in any state or federal jurisdiction that is obtained by a means other than the Fingerprint-based Applicant Clearinghouse of Texas (FACT).

Noncertified Employees. The voluntary or involuntary separation of a noncertified employee from the District must be reported to the Division of Investigations at TEA by the superintendent if there is evidence the employee abused or otherwise committed an unlawful

act with a student or minor, was involved in a romantic relationship with a student or minor, or solicited or engaged in sexual contact with a student or minor.

Reports Concerning Court-Ordered Withholding

The district is required to report the termination of employees that are under court order or writ of withholding for child support or spousal maintenance. Notice of the following must be sent to the support recipient and the court or, in the case of child support, the Texas Attorney General Child Support Division:

- Termination of employment not later than the seventh day after the date of termination
- Employee's last known address
- Name and address of the employee's new employer, if known

Student Issues

Equal Educational Opportunities

Policies FB, FFH

In an effort to promote nondiscrimination and as required by law, Schertz-Cibolo-Universal City ISD does not discriminate on the basis of race, color, religion, national origin, age, sex, or disability in providing education services, activities, and programs, including Career and Technical Education (CTE) programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

Questions or concerns about discrimination against students based on sex, including sexual harassment should be directed to Linda Cannon, Chief Human Resources Officer, 1060 Elbel Road, Schertz, TX 78154, 210-945-6204, the district Title IX coordinator for students. Questions or concerns about discrimination on the basis of a disability should be directed to Kimberly Ferguson, Director of Special Education, 202 W. Schlather, Cibolo, TX 78108, 210-945-6448, the district ADA/Section 504 coordinator for students. All other questions or concerns relating to discrimination based on any other reasons should be directed to the Superintendent.

Student Records

Policy FL

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records. The following people are the only people who have general access to a student's records:

- Parents: Married, separated, or divorced unless parental rights have been legally terminated and the school has been given a copy of the court order terminating parental rights
- The student: The rights of parents transfer to a student who turns 18 or is enrolled in an institution of post-secondary education. A district is not prohibited from granting the student access to the student's records before this time.
- School officials with legitimate educational interests

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus principal for assistance.

Parent and Student Complaints

Policy FNG

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling complaints on different issues. Any campus office or the superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

Administering Medication to Students

Policy FFAC

Only designated employees may administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. Exceptions apply to the self-administration of asthma medication, medication for anaphylaxis (e.g., EpiPen®), and medication for diabetes management, if the medication is self-administered in accordance with district policy and procedures. A student who must take any other medication during the school day must bring a written request from his or her parent and the medicine in its original, properly labeled container. Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

Dietary Supplements

Policies DH, FFAC

District employees are prohibited by state law from knowingly selling, marketing, or distributing a dietary supplement that contains performance-enhancing compounds to a student with whom the employee has contact as part of his or her school district duties. In addition, employees may not knowingly endorse or suggest the ingestion, intranasal application, or inhalation of a performance-enhancing dietary supplement to any student.

Psychotropic Drugs

Policy FFAC

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior-altering substance.

District employees are prohibited by state law from doing the following:

- Recommending that a student use a psychotropic drug
- Suggesting a particular diagnosis
- Excluding from class or school-related activity a student whose parent refuses to consent to a psychiatric evaluation or to authorize the administration of a psychotropic drug to a student

Student Conduct and Discipline

Policies in the FN series and FO series

Students are expected to follow the classroom rules, campus rules, and rules listed in the Student Handbook and Student Code of Conduct. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management strategies that have been adopted by the district. Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus principal.

Student Attendance

Policy FEB

Teachers and staff should be familiar with the district's policies and procedures for attendance accounting. These procedures require minor students to have parental consent before they are allowed to leave campus. When absent from school, the student upon returning to school, must bring a note signed by the parent that describes the reason for the absence. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.

Bullying

Policy FFI

Bullying is defined by §TEC 37.0832. All employees are required to report student complaints of bullying, including cyberbullying, to campus administration. The district's policy includes definitions and procedures for reporting and investigating bullying of students and is reprinted below:

[**FFI \(LOCAL\)**](#)

Hazing

Policy FNCC

Students must have prior approval from the principal or designee for any type of “initiation rites” of a school club or organization. While most initiation rites are permissible, engaging in or permitting “hazing” is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, who has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing must report that fact or suspicion to the designated campus administrator.
