Operator agrees not to attempt to re-identify de-identified Data and not to transfer de-identified Data to any party unless (a) that party agrees in writing not to attempt re-identification, and (b) prior written notice has been given to LEA who has provided prior written consent for such transfer. Operator shall not copy, reproduce or transmit any data obtained under the Service Agreement and/or any portion thereof, except as necessary to fulfill the Service Agreement.
5. **Disposition of Data.** Operator shall dispose of or delete all Data obtained under the Service Agreement when it is no longer needed for the purpose for which it was obtained and transfer said data to LEA or LEA's designee within sixty (60) days of the date of termination and according to a schedule and procedure as the Parties may reasonably agree. Nothing in the Service Agreement authorizes Operator to maintain Data obtained under the Service Agreement beyond the time period reasonably needed to complete the disposition. Disposition shall include (1) the shredding of any hard copies of any Data; (2) Data Destruction; or (3) Otherwise modifying the personal information in those records to make it unreadable or indecipherable. Operator shall provide written notification to LEA when the Data has been disposed of. The duty to dispose of Data shall not extend to data that has been de-identified or otherwise downloaded or transferred by the LEA or an authorized user, pursuant to the other terms of the DPA. The LEA may employ a "Request for Return or Deletion of Data" Form, a copy of which is attached hereto as Exhibit "D"). Upon receipt of a request from the LEA, the Operator will immediately provide the LEA with any specified portion of the Data within three (3) calendar days of receipt of said request.

Termination does not absolve the Operator's responsibility to comply with the disposition procedures of Data.
 - f. Operator shall timely notify law enforcement as appropriate of any breach or suspected breach.
3. **Data “As-is.”** Operator agrees and understands that the LEA will provide data to the Operator “as is” and “as available.” The LEA is not under any obligation to modify the data, including but not limited to creating any different student identification numbers or alias.

11. **Assignment.** None of the parties to this DPA may assign their rights, duties, or obligations under this DPA, either in whole or in part, without the prior written consent of an authorized representative of the other party to this DPA.
