Intake Process Honors/AP/IB Contract for DAEP Placement

Please complete one contract for every Honors/AP/IB course on the student's schedule.

Student name: _____ Home campus: _____ Grade: _____

Course name and number: _____ Campus teacher: _____

_____ The student is responsible for completing work in an independent study setting, understanding that the DAEP teacher is not certified to present or instruct Honors/AP/IB learning.

_____ Honors/AP/IB student will be expected to complete Honors/AP/IB-level assignments assigned by the campus teacher in place of regular DAEP coursework by assigned deadline.

_____ Honors/AP/IB teachers from the home campus will provide assignments and support materials for each Honors/AP/IB course for the student assigned to DAEP. The home campus Honors/AP/IB will grade and record all work and communicate with parent concerning grades.

_____ The DAEP campus teacher will communicate with parent about all other matters.

_____ DAEP teachers will endeavor to assist students and provide facilitative support (resources, guidance and home campus communication) in the distribution and return of documents from and to the home campus as well as communicate regularly with the home campus faculty to monitor student progress in place of direct instruction.

_____ Progress reports will be provided through TxConnect from the home camp every three weeks to help all parties monitor the student's progress.

_____ Access to tutorial sessions on the home campus will be in accordance with district policies concerning DAEP students visiting other campuses. DAEP Administrators and Home Campus Administrators will coordinate any campus tutorial appointment with the campus teachers, DAEP student and parent, and DAEP teacher. Student will provide documentation to present upon arrival on home campus. The home teacher will meet the student at the door of the front office and escort the student to and from the classroom. The home campus teacher will document time of arrival and departure of student.

_____ Students will be expected to remain in the Honors/AP/IB course when they return to their home campus and will take the test associated with the course.

I understand the above policies and choose for my student to remain in this advanced course.
