Dr. Greg Gibson, SCUC ISD Superintendent of Schools Professional Biography

Dr. Gibson comes from a family of educators. Both his parents were educators, which inevitably led him to the profession.

He became SCUC ISD Superintendent of Schools in January 2010. In 2016, Dr. Gibson was selected as the ESC-20 Superintendent of the Year and was one of five finalists for the Texas Association of School Boards (TASB) Superintendent of the Year Award. Prior to coming to SCUC, Dr. Gibson served as the Superintendent of Crowley ISD from 2003-2009. He began his career as an educator in 1991 at Graham ISD and quickly moved up the ranks to become Graham's Superintendent from 2000 to 2003.

Dr. Gibson received his Doctorate of Education from the University of North Texas in Denton in 2009. He received his Superintendent Certification from Tarleton State University and his Master's and Bachelor's degrees from Midwestern State University in Wichita Falls.

Dr. Gibson is a member of the Texas Association of School Administrators where he serves on the Legislative Committee, is a member of the Visioning Institute, and a mentor of numerous new superintendents in Texas. As a founding member of the Visioning Institute, Dr. Gibson was one of 35 superintendents in Texas to describe a path out of the misuse of standardized testing into new learning standards for the digital generation as well as transforming our schools from bureaucracies to learning organizations.

Dr. Gibson also serves on the Fast Growth School Coalition of Texas. This organization studies and promotes the unique interests of the fastest growing schools in Texas. SCUC is currently one of the fastest growing districts in the San Antonio area and the State of Texas.

In 2015, Dr. Gibson was appointed by U.S. Department of Commerce to serve on the Panel of Judges for the prestigious Malcolm Baldrige Award, and in 2016, Dr. Gibson was appointed by Governor Greg Abbott to serve as a Trustee for the Teacher Retirement System of Texas.

As a superintendent, Dr. Gibson feels honored to serve with such a highly-engaged staff in a one-of-a-kind community. He and his wife, Oteka (also an educator in Texas), have three adult children: Scout, Tate and Emma.

Schertz-Cibolo-Universal City ISD, a diverse community founded in trust and transparency, commits to empower all students to fulfill lifelong potential through inspiring learning experiences.
