

TECHNOLOGY HOW-TO

Steele High School

Logging In

Every computer login and app login uses the same student directions:

Username

- Last name
- First 2 letters of first name
- Last 3 numbers of ID
- @scuc.txed.net

Password

- First 2 letters of first name
- Student ID with leading zero

Example: Daisy Flower 012345

Username: flowerda345@scuc.txed.net

Password: da012345

Schoology

Log in from Classlink on any mobile device with internet.
Simply log into your SCUC Portal, then click on the "Schoology" app in Classlink.

You can also use the Schoology app.

- Download the app for Schoology app on your mobile device.
- Type in the campus name (look for scucisd.schoology.com next to the name).
- A window directs you to Classlink.
- Click the gray "sign in" button and enter your username.

Student Email

High school students have access to student email through Office 365.

- Click on the Office 365 app in Classlink.
- Click "Sign in."
- Enter your username and district password.

Edgenuity

You can only access Edgenuity credit recovery by entering Classlink and adding the "Edgenuity-Student" app with the "+" button. No other method will work.

Classlink

We use Classlink as a launchpad for all student apps, textbooks, Google Drive, Schoology, and more!

To access from home:

- Go to SCUC District website (scuc.txed.net).
- Scroll down until you see "Classlink" on the right-hand side under Popular Links.
- Click the gray "Sign In" button.
- Use your district student login.
- You can add apps by clicking the "+" at the top left.

There is also a Classlink app in the App Store.

Use the ADFS option to sign in on your mobile device.
