# TECHNOLOGY HOW-TO

*Steele High School*

## Student Portal

Students can create their own account to view their grades. Use the links below for instructions.
<u>English</u>: https://tinyurl.com/engstudport
<u>Spanish</u>: https://tinyurl.com/spastudport

## Schoology

Log in from Classlink on any mobile device with internet. Simply log into your SCUC Portal, then click on the "Schoology" app in Classlink.

<u>You can also use the Schoology app</u>
- Download the app for Schoology app on your mobile device.
- Type in the campus name (look for scucisd.schoology.com next to the name).
- A window directs you to Classlink.
- Click the gray "sign in" button and enter your username.

## Edgenuity

You can only access Edgenuity credit recovery by entering Classlink and adding the "Edgenuity-Student" app with the "+" button. No other method will work.

## District Resources

Visit
https://sites.google.com/scuc.txed.net/scucstudentresources/home
or scan the QR code below.

Need help? Email us at scucstudenthelp@scuc.txed.net

## Logging In

Every computer login and app login uses the same student directions:

**Username**
- Last name
- First 2 letters of first name
- Last 3 numbers of ID
- @scuc.txed.net

**Password**
- First 2 letters of first name
- Student ID with leading zero

Example: Daisy Flower 012345
Username: flowerda345@scuc.txed.net
Password: da012345

## Student Email

High school students have access to student email through Office 365.
- Click on the Office 365 app in Classlink.
- Click "Sign in."
- Enter your username and district password.

## Classlink

We use Classlink as a launchpad for all student apps, textbooks, Google Drive, Schoology, and more!

To access from home:
- Go to SCUC District website (scuc.txed.net).
- Scroll down until you see "Classlink" on the right-hand side under <u>Popular Links</u>.
- Click the gray "Sign In" button.
- Use your district student login.
- You can add apps by clicking the "+" at the top left.
There is also a Classlink app in the App Store.
Use the ADFS option to sign in on your mobile device.
