

Incoming 9th grade Registration 2021-2022

- 
- **8th grade parents' high school registration is here! 8th grade remote (through LA) and face to face students viewed their first registration video during Cougar Time this week. They will continue viewing these videos into next week.**
 - **The purpose of these presentations is to give them and you an understanding of high school graduation requirements and endorsements under House Bill 5, as well as the planning process.**
 - **Students will have many opportunities to learn about courses that are available to them once they enter high school through meetings, videos, endorsement fairs, and course expos. Please see calendar below for registration dates, as well as the Dobie or Steele website for sample worksheet copies and videos.**
