

2013-2014

Practice Test:

Name:

Key

The Skull

Diagram A

- I coronal suture
- D frontal
- P lambdoidal suture
- T mastoid process
- E maxilla
- N nasal
- K occipital
- M parietal
- L temporal

Diagram B

- G ethmoid
- Q external auditory
- meatus
- F lacrimal
- L mandibular fossa
- H sphenoid
- J squamosal suture
- C zygomatic bone & process
- B vomer

Diagram C - inferior view

- C foramen magnum
- B occipital condyles
- A palatine bones & processes

Diagram D - sinuses

- B ethmoid sinus
- A frontal sinus
- D maxillary sinus
- G sphenoid sinus

Diagram E - mandible

- A angle
- U body
- R mandibular condyle
- S ramus

Diagrams A,B&E

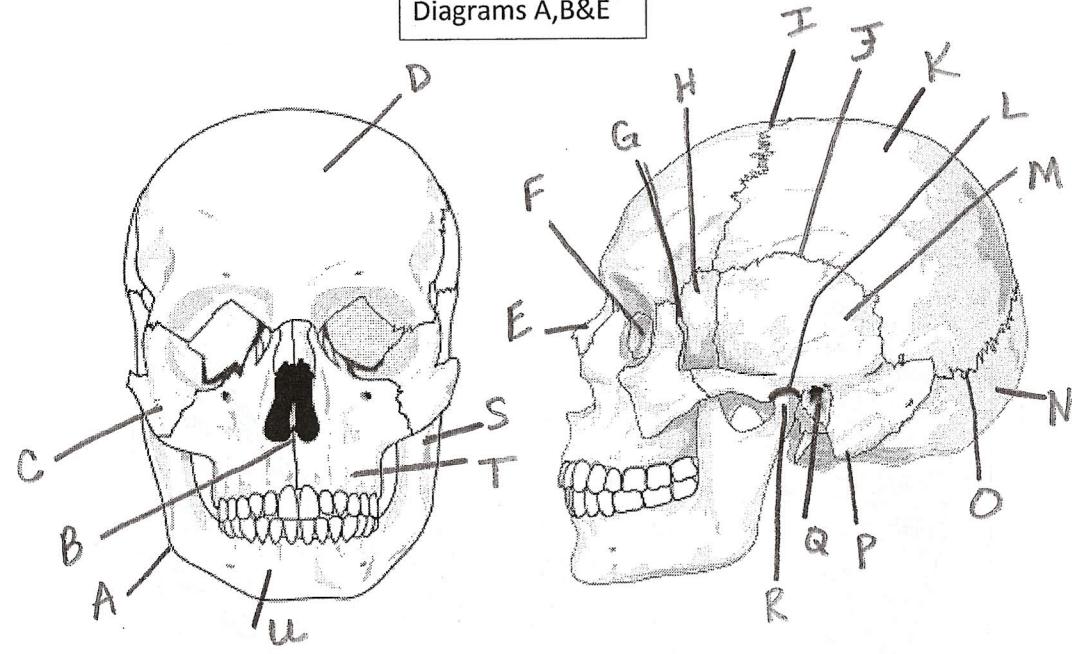

Diagram D

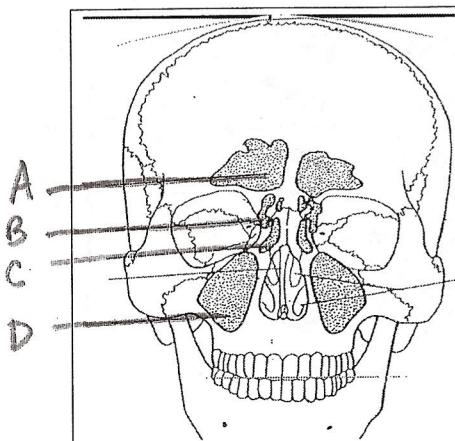

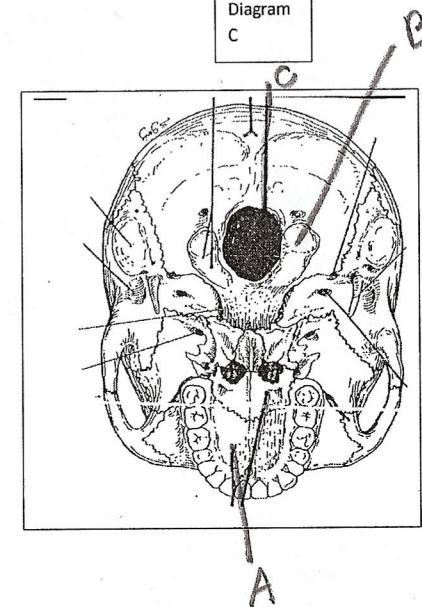

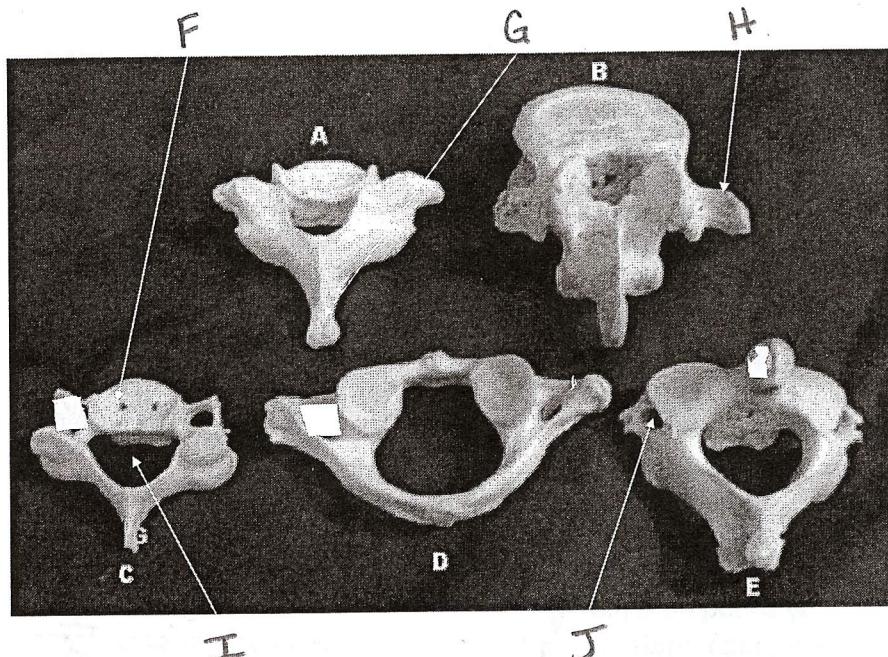

Diagram C

Use letters with arrows

- I vertebral foramen
- H transverse process
- J transverse foramen
- G spinous process
- F body of vertebrae

Use printed arrows by
vertebrae

- D atlas
- E axis
- C cervical
- B lumbar
- A thoracic

This page

- C gladiolus/body
- A manubrium
- F vertebral ribs
- E vertebrochondral rib
- B vertebrosternal rib
- D xiphoid process

A	atlas
B	axis
C	cervical
E	lumbar
D	thoracic
F	intervertebral
B	foramen
G	disc
