SCUCISD Facility Rental Agreement

The Schertz-Cibolo-Universal City Independent School District permits and encourages the use of designated school facilities for educational, recreational, civic, or social activities when these activities do not conflict with school use or Board Policy. Being a taxpayer or submitting a Facility Rental Request does not automatically guarantee the right to utilize any SCUCISD facility. Use of District facilities shall not be permitted when it interferes with the educational program of any campus or District scheduled activities, including facility maintenance and/or repair projects. SCUCISD does not rent to individuals and reserves the right to deny rental requests conflicting with the best interests of the District. Use of District Facilities during the summer break and all holiday breaks is limited to SCUCISD school related organizations. No new school building will be rented during the first year in which it opens.

The District is a tax-supported non-profit organization established to serve the students and youth residing within the boundaries of the District. The District may, therefore, differentiate among various categories of organizations/groups (such as youth groups, adult groups, non-profit organizations, for – profit organizations, and civic groups) in establishing the length of times that a facility may be used or the fee charged.
