HEALTH SERVICES MEDICATION POLICY

Dear Parent/Guardian,

Please read the following district policies regarding medication administration.

1. Parent should make every effort to schedule student's medication in a manner that medication brought to school will be kept at a minimum.
2. ALL medication must be properly labeled and in its original container. No medications will be administered from baggies, foil or mislabeled containers.
3. A completed and signed Medication Administration Form must accompany all properly labeled medication.
4. Over the counter medication can be administered for up to five (5) consecutive days. The medication must be picked up by a responsible adult at the end of the five (5) days. **Any medication not picked up will be discarded.** A medical problem that has not improved in five (5) days should be evaluated by a health care provider.
5. Prescription medication will be administered in accordance with legal requirements, for a period of up to ten (10) days [See FFAC(LEGAL)]. A written request by a physician or other health-care professional with authority to write prescriptions shall be required when the medication must be administered for a longer period.
6. School personnel may not dispense herbal, dietary supplements, other nutritional aids, homeopathic preparations / remedies not approved as medication by the FDA. Refer to Board Policy FFAC (Local). Board Policy FFAC (legal).
7. Students are not permitted to carry and dispense their own medication. Medications must be brought to the school by a parent, guardian, or adult designee. If you are unable to bring the medication to the school during normal hours, please contact the school nurse to make special arrangements.

Thank you for your cooperation in this matter.
