

# EVERYDAY SUCCESSES

VOLUME 3, ISSUE 11

OCTOBER 28-NOVEMBER 1, 2019

1 – Congratulations to the volleyball teams at Samuel Clemens High School and Byron P. Steele High School. The Buffs finished their district season undefeated for the second consecutive year and are currently the top-ranked team in the greater San Antonio -area. Meanwhile, the Knights are back in the playoffs this year and have shown steady improvement over the past few seasons.

2 - Last weekend's SCUC ISD Education Foundation Casino Night gala was another huge success. In addition to the funds raised for Innovative Teacher Grants, attendees were impressed with the centerpieces put together by the Samuel Clemens High School Floral Design program.

Students in the Byron P. Steele High School agriculture mechanics program also contributed by making two yard drink holders, which were purchased during the silent auction portion of the evening. ***#DynamicLeader #SelfMotivated #ServiceOriented***

3 – Corbett Junior High School held another Geektoberfest for its students last week. The event, led by librarian Marco Ricondo, does a wonderful job of inclusion for students for all at the campus. ***#DynamicLeader #ServiceOriented***

4 – Congratulations to Trenton Rauscher, second grade student at Wiederstein Elementary School, who captured the City of Schertz [Fire Prevention Week Poster Contest](#). He was recognized at the Schertz City Council meeting held on October 22nd. ***#SelfMotivated #SkilledCommunicator***

5 – Wiederstein's Literacy Night was augmented by the presence of Steele High School students, who read to students and helped provide a safe and secure environment for future Knights. ***#DynamicLeader #SelfMotivated #SkilledCommunicator #ServiceOriented***

6 – Jackson Macias brought some attention to himself and the Clemens football program. He turned a fake punt into a touchdown during the Buffs' 36-0 win over East Central last week and earned [KSAT Play of the Week](#) honors. ***#DynamicLeader***
