

# EVERYDAY SUCCESSES

VOLUME 3, ISSUE 13

NOVEMBER 11-15, 2019

1 – The prowess of our district's athletic programs continues. The Samuel Clemens High School girls' volleyball team has qualified for regionals, the furthest they have advanced in school history!

Meanwhile, the football programs at Clemens and Byron P. Steele High School are in the playoffs again. The Buffs won their first district title last Friday since 2006! Good luck to all the teams this weekend. **#DynamicLeader #SelfMotivated**

2 – Four members of the Samuel Clemens High School swim team set a school record last week in the 200 yard freestyle relay. Congratulations to Conley Savage, Tate Sloan, Christian Eberhard and Jacob Brehm in the new record time of 1:33.12! **#DynamicLeader #SelfMotivated**

3 – The Cibolo Valley Elementary School "We Serve Too" club held a service project last week by selling flags to honor Veterans. All proceeds will go to Operational Battle Buddies. This organization services Veterans who suffer from PTSD by gifting them with a service dog. Operational Battle Buddies later joined Cibolo Valley ES for the school-sponsored Veterans Day Parade. **#DynamicLeader #SelfMotivated #ServiceOriented**

4 – Congratulations to the [students from Schlather Intermediate School](#) who participated in trying out for the Region Band. Schlather Intermediate is the only intermediate school that participates which means they are competing against 7th and 8th graders from middle schools and junior highs within our region.

Five of them were within 6 spots from making the District Band. Meredith Daniel earned the distinction of being the first ever sixth grade student to qualify for Region Band in bassoon! **#DynamicLeader #SelfMotivated #SkilledCommunicator**

5 – A huge congratulations to Olivia Williams of Byron P. Steele High School Orchestra. She made third chair in the second violin section for Philharmonic Region! **#DynamicLeader #SelfMotivated #SkilledCommunicator**
