IB International Baccalaureate - The IB Diploma Program is an internationally-recognized, rigorous two-year college preparatory curriculum that challenges students during their junior and senior high school years. However, preparation for IB start in the 9th grade. IB students must also complete an Extended Essay (4,000 word), complete the Theory of Knowledge class, and successfully satisfy the Creativity, Activity & Service (CAS) requirement of IB during junior and senior years. The IB Diploma Program is an internationally-tested curriculum, open to any qualified student willing to take on the challenge. Interested students should contact Ms. Riordan at ib@scuc.txd.net.
