The Bunnies will be nice to others, follow directions, control our talking, sit correctly, and always do our best! We love learning!

What Are We Learning About in 1st Grade?

During our Integrated Language Arts time, we learning about the CH and SH sounds, telling the main idea and supporting details in a story. In math, we are learning about comparing and ordering numbers. In Science, we are learning about reusing, recycling, and reducing waste.

From the Teacher's Desk

How is it already the end of January?!!!

Here's looking ahead to February:

- Feb. 7th: Early Dismissal (12:30 p.m.)
- Feb. 12 - 16th: Kindness Week -more info to follow
- Feb. 14th: Valentine's Day - see attached letter
- Feb. 15th: Zoo field trip
- Feb. 19th: STUDENT HOLIDAY - It was determined that we have enough school minutes that we do not have to use this day to make up for the Ice Day. So, the kids have the day off and teachers will a have Professional Development Day.
- Feb. 28th: Class Picture Day

This time of the school year really starts to fly by! I feel like we are the downhill side of a huge rollercoaster -it's going to go by fast, it's going to be busy, and it will be more challenging as we get ready for 2nd grade. Thank you for your continued help and support as we work together to help your child be as successful as possible.
