Since students need to be picked up when they become ill at school we need current phone numbers. Please update your phone number(s) in TxConnect as soon as they change. We want to be able to reach you in a timely manner in the event of emergency. Saving the clinic number in your phone may be helpful to identify when nurse is calling 210-619-4207. Thank you for working with us to keep students, staff safe, and healthy during cold, flu and Covid-19 times.
