Byron P. Steele II High School (CDC-094902003) is a comprehensive public high school accredited by the Texas Education Agency. It is part of the Schertz-Cibolo-Universal City Independent School District (SCUCISD), which extends over a 60-square-mile area in northeast Bexar County and southwest Guadalupe County.

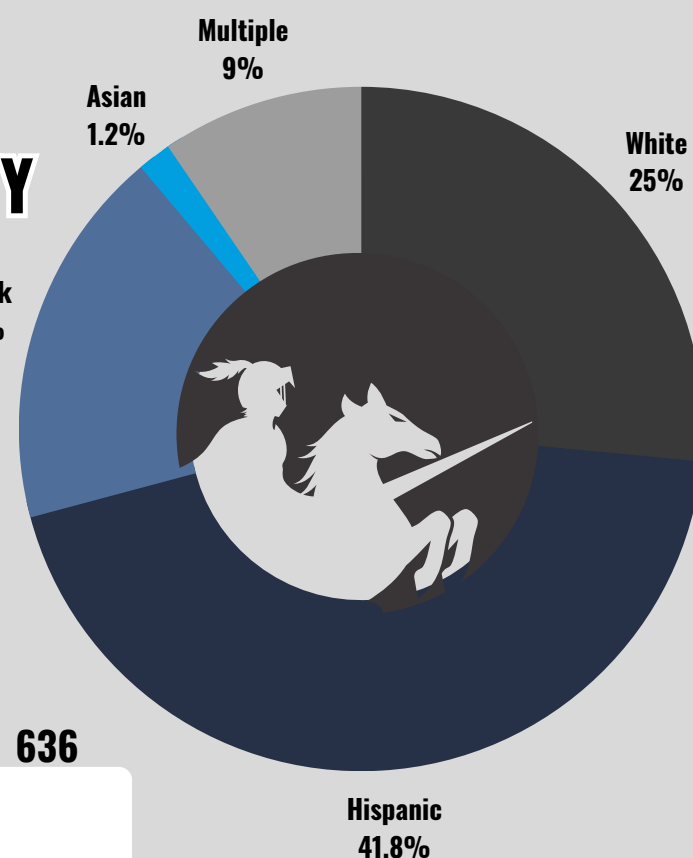

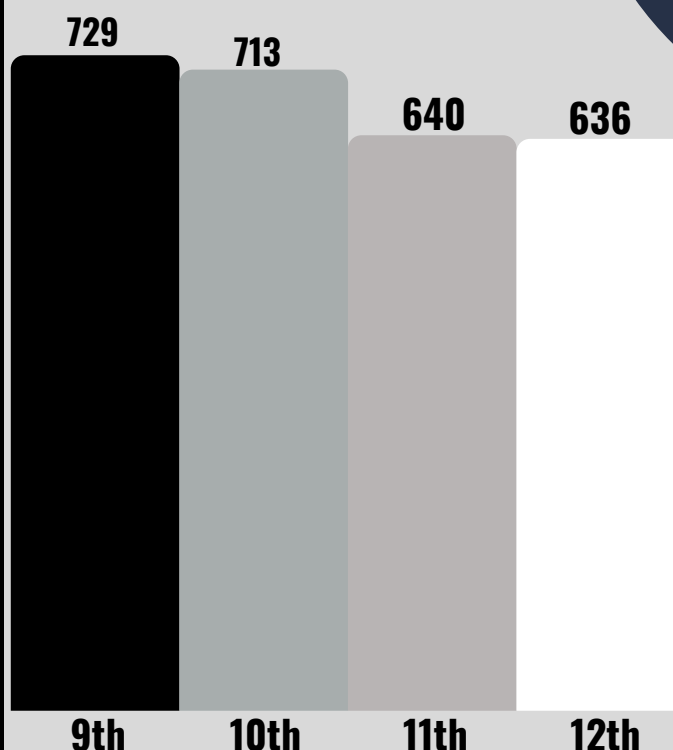

## STEELE HIGH SCHOOL AT A GLANCE

### ETHNICITY

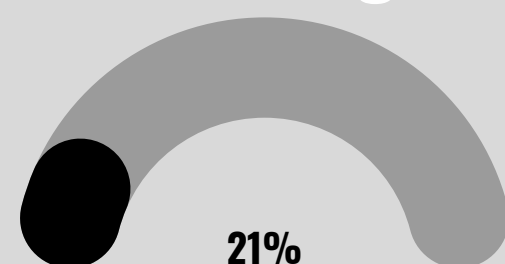

Approximately  
35% go to 4-year colleges/universities  
40% go to 2-year colleges.

### Enrollment as of 9-18-2023

### Economically Disadvantaged

## Curriculum

Byron P. Steele High School offers courses to meet the needs of all learners. The regular curriculum is considered college preparatory, and students have the opportunity to take advanced courses in all the core areas as well as in world languages and fine arts. Classes are offered to students who are identified as having disabilities and are eligible to receive special education services. Several courses are offered through Career & Technology Education (CTE), including classes in information technology, health sciences, business, agriculture, marketing, law and public safety, human services, and hospitality.

## Academic Year

The school year is August 15, 2023, to May 31, 2024, and consists of two 18-week semesters. The first semester ends December 15, 2023. The school day consists of eight class periods, one of which is lunch. All classes meet for 50 minutes daily five days per week.

Same as above except Algebra 2 is not required

### Grading System

90-100	Excellent	A
80-89	Good	B
70-79	Passing	C
0-69	Failing	F

### GPA and Class Rank

A student's grade point average (GPA) and class rank are determined by a weighted grading system designed to give more emphasis to courses that require higher levels of academic understanding. Core subject courses and World Language courses designated as Advanced Placement (AP), Pre-AP, Honors, Dual Credit (DC), and Enriched receive extra points when calculating GPA (including junior high credits earned). The additional points are used only to determine a student's GPA and class rank and are not reflected in the actual recorded grade. Application of the weighted grading system to courses transferred from other schools is based on the types of courses indicated on the transcript.

Only courses available to Byron P Steele High School students will receive additional points.

Grades earned in summer school, correspondence courses, home school courses, summer enrichment programs and through credit by exam are not considered when determining GPA and class rank.
