

Equipment & Technology Permission & Responsibility Form

Because of the advancing technologies introduced to students in this class, students have the privilege and responsibility of using expensive, fragile equipment in these classes. **Students are responsible for loss, theft or damage to ANY equipment they are using.** Our cameras, scanners and tablets range from \$150 to \$2,000 each. Students have access to powerful computers with internet access in this class. They are responsible for its proper use. I am able to check the records on the computers to track misuse.

Internet & Computer Use

- * Students are NOT allowed to download anything from the internet without teacher's permission
- * Students may be assigned specific computers
- * Students do not share their login with anyone (remember to log out)
- * Computers are only for their art assignments
- * No games or email (unless class related)
- * Students are only allowed on the internet when told to do so for specific assignments

Camera Use

- *Students will not be allowed out of class the first or last 10 mins of the class period
- *When out of class, students must have their pass & ID
- *Students must REFRAIN from disrupting any classes or leaving campus
- *All photos must be school appropriate

DISTRICT STUDENT ACCEPTABLE USE POLICY RULES APPLY

You are the best judge of your student's maturity, abilities and willingness to be responsible for expensive equipment. Please share any questions or concerns you might have with me. All school and district rules apply. I cannot be responsible for cameras not belonging to the district. Please refer to the student handbook for additional information on computer and internet use.

By signing this form, you are agreeing for your student to have access to the above mentioned equipment and be a responsible in its use and care.
