

Mission Statement- Newspaper

We the people of the *SC Correspondent*, will print the most accurate and factual articles we have to offer, and we will produce a professional work environment. We will keep the tradition of creating a print newspaper as well as adapt to the surrounding technology filled society and produce weekly articles on the online paper for the 2019-2020 school year. The staff will be nothing but respectful to one another and keep the classroom a professional work environment when needed.
