- ❖ Provide lessons on bullying prevention through topics such as conflict resolution, problem solving, and healthy relationships both intrapersonal and interpersonal,
- ❖ Provide awareness, research, and planning opportunities concerning college, career, and military readiness as grade appropriate (K-12),
- ❖ Annually provide guidance lessons to students in grades 6-12 on proper social media usage,
- ❖ Annually provide guidance lessons on awareness and prevention of dating violence (7-12) and sexual assault (9-12), and
- ❖ Provide guidance lessons to all students in grades K-2 on self-control and emotional regulation using the Zones of Regulation.

SCUC ISD Mental Health Awareness, Prevention, and Intervention

SCUC ISD is dedicated to providing a safe and caring environment for all students and that a safe, secure, and supportive environment is paramount to learning.

Social-emotional health and wellness is the responsibility of a child's family, community, and school.

Safe and Caring Environment – Part of the SCUC ISD Learning Framework

The SCUC ISD Learning Framework identifies key aspects that affect learning and district’s approach/goals to support students’ learning needs. As part of the Learning Framework, a safe and caring environment specifically addresses

- ❖ Social Emotional components
- ❖ Behavior
- ❖ Classroom and School Environment
- ❖ Traits of an SCUC Graduate

SEL–Safe and Civil Schools

Safe and Civil Schools Foundations will provide staff members with the tools necessary for better behavior management strategies, effective classroom management, Positive Behavior Support and Response-to-Intervention for behavior, and a positive school climate.

SCUC professional development in all of these areas will continue to be ongoing.
