

# CORBETT MUSTANG ATHLETICS

Athletic Handbook

Dear Parents,

We hope that you are as excited as we are for the start of a new season. We encourage your support as we strive to be an effective and efficient athletic program. We also believe that communication is a very important part of this program and as a staff we will provide adequate opportunities for that.

This handbook will provide you with information that will help you understand our policies and procedures of the Corbett Athletic Program. We ask each athlete and guardian to discuss the contents of this handbook and sign and return the signature page to their respective head coaches.

Thank you for your cooperation and we look forward to a successful season!

GO MUSTANGS!

Sincerely,

Corbett Coaching Staff

## **Purpose Statement**

The primary purpose of this handbook is to acquaint you with the rules and policies of the Corbett Mustang Athletic Program. Our policies have been put in this booklet so you and your parents can become familiar with the Corbett Mustang Athletic Program. You are responsible to read, know, and understand the complete contents of this handbook. In the event that there is something in this handbook you do not understand, please bring it to our attention.

This handbook was not made to disrupt the lines of communication between you and your coaches, but to encourage it. This handout is merely a guideline for your benefit. In the event you disagree with any policies in this handout, see us at your earliest convenience. Our goal is to have our student athletes, staff, and parents all aligned with the expectations that are expected within the Corbett Athletic Program.

## **Corbett Athletics Mission Statement**

The Ray D. Corbett Junior High Athletic Program’s mission is to develop student-athletes who will excel in the classroom and perform at a championship level in every sport competition. Every athlete and coach will always put forth their best effort in order to reach the team goals. We will always strive to be the best version of ourselves.

## **Philosophy**

The goal of our program is to help each student become the best student-athlete that they can possibly be. In order to accomplish this, we must ensure that each athlete shows constant dedication in their schoolwork and in their preparation for any sporting event that they participate in at Corbett Junior High.

Our athletic program will be built around a TEAM concept. With this, we will also build mental toughness, confidence, self-discipline, and leadership skills. In addition, the focus of this program will be on achieving TEAM goals. It is imperative that each individual does their best for the TEAM at all times. With this as a priority, we will always put the TEAM before any individual. In order for us all to be successful, we must work well together under a common vision and be dedicated to that vision.

## **Statement of Athletics**

Regardless of the sport, it all begins with the proper state of mind. You must play the game with such an intense degree of aggressiveness and determination that it is inevitable that you will get the job done. There are many aspects to our program, from the fundamentals to the refining and rehearsing of the game plan, but it all begins with the proper state of mind. Therefore, the goal should be to play the game with such enthusiasm and intensity that we break through barriers of doubt and fatigue, and play the game in a new dimension. If our teams follow these guidelines, there is no doubt that success is in their future.

## **Physical Exams**

Prior to participating in any sport at Corbett Junior High a current physical examination form and medical history form must be on file with your coaches. This includes tryouts, participation in off season strength and conditioning programs (Athletic Periods), and competition. NO EXCEPTIONS

SCUC ISD requires the athletic physical exam to be completed on an annual basis and is good for twelve months from the exam date. All UIL required documentation must be completed on line through Rank One in order for athletes to participate in practices and games.

All paperwork must be checked for completion by your coach before the athlete participates in any sporting activity.

## **Athletic Period**

The athletic period is considered a class period. To participate in this period the student athlete must have a physical on file with their coach. All students must attend the athletic period every day and please make every effort to schedule appointments, study, or do make up work before or after school.

## **Participation**

Each head coach for each sport sets the criteria for participation on a team. The chance to participate on a school team may require a try-out period. Expectations for making a team, or staying on a team, will be communicated prior to the season and/ or try-out period.

## **Severe Weather**

In the event of severe weather or pending severe weather, a decision will be made based on the information and forecast available at the time. A decision to postpone or cancel an event will be relayed via our campus social media account, Rank One text, or campus staff. Should severe weather present itself during an event, the game administrator and the game officials will make a decision based on the department's weather safety guidelines.
