# READY? SET... GO!

### (CONTINUED)

#### 2. USE A DIGITAL TICKET

- While using the Ticket Spicket mobile app or website, navigate to the main menu icon located at the top left.
- Click on the 2nd link in the menu labeled "My Tickets." Events that you have purchased tickets for will be listed here.
- To use your tickets, tap the event and select "View Tickets" from the menu options..

- Next, if you have more than one ticket, you'll select each ticket you'd like to use. (Select All Tickets to redeem all at once.)
- The last step is the event check-in process. You should only do this in front of the gate attendant.
- At a Digital Only event, your ticket will have a green button that you will press & hold for 2 seconds. That will validate and "tear" the ticket which will verify and allow you entry to the event.

(Please note: If you have a QR code on the ticket, show your phone to the gate attendee to have it scanned.)
