Make-up work for absences:

First and foremost: students should check what was missed when absent, at "My Calendar" on teacher's website.

- Absences: Students are allowed two school days for every day of class missed to make up work. If students do not complete make-up work in the time allotted, the late work policy will apply.
- Students **will be required** to take a quiz or test on the day **returning** to class from an absence if the quiz or test **was announced prior** to the student's absence. *This can only be done during tutoring time.*
- Make-up work and tests for all absences shall be of the same rigor, but not necessarily the same format, as the original activity, assignment or test.
- *Make-up work, quizzes or tests should be scheduled also during tutoring time.*

Late work policy: Late work is defined as any assignment that is not submitted on the due date and class period at the start of class.

SPANISH 2 & 3:

- Alternative assignments may be given if the original assignment has been assessed and returned.
- 10 pts each day will be deducted from the grade earned for late assignments (up to a total of 30).
- Late work assignments will be accepted within 3 school days, not to exceed the end of the 9 week grading period.
- Extenuating circumstances may occur that prevent the completion and turning in of assignments on the due date. It is the parent's / guardian's and / or student's responsibility to inform the teacher of any such circumstances so that an exception to the rule **may or may not** be granted.

IB SPANISH :

Work may be turned in one day late with a penalty of 30 points. (This course moves faster than other levels.)

Re-teaching and Re-testing:

- If a student fails to demonstrate mastery, tutoring and re-test *are expected of the student ASAP.*
- The grade will be recorded as no higher than 70 if mastery is demonstrated.
- Re-teaching and re-testing shall not exceed the end of the 9 weeks grading period.
- Re-teaching and re-testing do not apply to semester exams.

*If a student is failing, it is expected by the school that he/she is attending tutoring at least once a week until passing again.

The above is due to and in accordance with the district grading policy. For more information, please visit the district website: www.scuc.txed.net.
