The Bunnies will be nice to others, follow directions, control our talking, sit correctly, and always do our best! We love learning!

## What Are We Learning About in 1<sup>st</sup> Grade?

During our Integrated Language Arts time, we learning about the long vowel "a" sound. I will teach the kids the following rule "When there are 2 vowels in a word, the 1<sup>st</sup> one says it's long sound the 2<sup>nd</sup> one is silent." We will be learning CVCe words (silent e at the end). Science is filled with learning how objects move (push/pull) and magnets. In math, we are learning about building and comparing numbers to 99. In Social Studies, we are learning about maps.

### **DATES TO REMEMBER IN NOVEMEBER:**

- Nov. 20<sup>th</sup> - 24<sup>th</sup>: Thanksgiving Holidays
- Nov. 30<sup>th</sup>: Progress Reports go home

### **LOOKING AHEAD TO DECEMBER (Can you believe that?)**

- Dec. 4<sup>th</sup>: Holiday Program for Kinder and 1<sup>st</sup> at Paschal. I will send out reminder info when we come back from Thanksgiving break).
- Dec. 21<sup>st</sup> is an Early Release Day - 12:30 p.m.

### **Christmas Party**

We will be having a class party -we will NOT be exchanging gifts. I'm not yet sure of the date. I would love to have Pizza Party, but I need volunteers to go pick up the pizza at 11:00 a.m. on the party day. If you would be willing to help with that, please let me know.
