

Welcome to Miss V's Art Class!

All Children are Born Artists!

Art Program at Jordan Intermediate

Welcome to a new year at Jordan Intermediate. My name is Jean Villarreal and I am the art teacher here at Jordan Intermediate. This is my 6th year teaching and I earned my Art Education degree at Texas State University in San Marcos.

At Jordan Intermediate, our Art program is based on Teaching for Artistic Behavior (TAB). This Program is a nationally recognized choice-based art education approach to teaching art. TAB regards

students as artists and offers them real choices for responding to their own ideas and interests through the making of art. Choice-based art education supports multiple modes of learning and assessment for the diverse needs of students.

As your child's teacher, I will show them the fundamentals and history of Art in a fun and creative manner. This will be an exciting and expressive year!

All supplies are provided. Donations are appreciated!
